A word from the President:

Hello everybody,

The July meeting was short and to the point. We had some visitors from the Tampa area. It was great to have some of our members invite their friends. We should all try to bring someone when we can. When the meeting was over a few went home but, most of us went out for the planned ride which took us to Slims BBQ. The food was good and we all had a great time. Some of us went back out for more riding. We went to Limestone County Club for a cold drink. We then got going again and found lots of lefts and rights. I always enjoy a good ride, I'm sorry if you did not join us. I know that we had many members at the MOA rally. I'm looking forward to hearing all the stories of their trip.

I have a list of some of the duties for our Sun Your Buns Rally. We really need your help in putting the Rally on. Please sign up for whatever you can do to help. We want to have a great time. It takes more than one person to put on a Rally so please sign up. Please take a look at the list and call or e-mail me with what ever you can do.
